Rejuvenating "A"

TISSUE REPAIR FORMULA - NOW WITH MATRYXL 3000

New & Improved Tissue Repair formula with natural & organic ingredients *plus* moisturizers that aid in cellular regeneration. "Rejuvenating A" stimulates production of collagen & elastin, minimizes hyper pigmentation and protects the skin from free radicals. A "non-irritating" anti-aging fluid that acts more effectively than Retinol. Plus the power of Natural Firming Complex (DMAE, alpha-lipoic acid, vitamin C ester & astaxanthin that delivers 550 more anti-oxidant benefits than vitamin E) copper peptides and over 79 natural extracts, Hyaluronic Acid and intense moisturizers, vitamins and minerals. In a six month clinical study Matrixyl worked faster than retinol with no irritation, and steadily diminishes the look of wrinkles with visible and dramatic results, with reduction of deep wrinkles by as much as 68%. Matrixyl also seems to be more effective than some forms of Vitamin C. Proven effective on stretchmarks. Studies conducted on collagen synthesis indicated an increase of collagen from 30 - 117% and has a cumulative effect. The product is a safe alternative to botox, chemical or laser peels.

Instant Results™ WRINKLE REDUCTION WITHIN 10 MINUTES

Miracles may exist in a jar. This dream cream is for real and delivers a powerful punch against wrinkles. Watch them melt away within minutes. Nutra-Lift® Instant Results incorporates the latest innovations in anti-aging skincare solutions which produce a reduction in the appearance of fine lines and wrinkles. With the amazing G-Aminobutyric Acid (GABA) "the natural line relaxer", used within our unique complex of ingredients and 70% organic extracts. GABA helps to produce a visible reduction in the appearance of fine lines and wrinkles. GABA is produced in the body as a natural muscle relaxant, just as melatonin is produced as the body's natural sleep inducing agent. When used in conjunction with other key ingredients found within our proprietary complex, GABA works to help diminish the appearance of fine lines and wrinkles on the facial area quickly, effectively and SAFELY with no side effects – just results. The product creates a temporary reduction in wrinkles that can last up to 24 hours. Works to diminish the appearance of forehead creases, crow's feet, furrows, laugh lines, feathered lips, and more. Reduces the appearance of acne scars, stretch marks, rosacea, and enlarged pores. A safe alternative to many of the synthetic products and injections. And with no side effects. Gives skin a plumper, more youthful appearance. 100% of the people clinically tested had 50 - 90% reduction of lines within 10 minutes. A rich emollient in a base of organic aloe and sesame seed oil.

INTERNAL REJUVENATION FOR BEAUTIFUL HEALTHY SKIN

New Look, Same Great Product! The only low molecular weight Hyaluronic Acid with clinically proven absorptive capabilities As we age, we have less Hyaluronic Acid in the skin. Without the proper amount of Hyaluronic Acid in the upper layers of the epidermis, the skin looks dull and wrinkled. Bonded with glucosamine and made with the most advance nutritional technology, *ultraNutrient® injuv*, is a cosmeceutical made from Hyaluronic Acid that moisturizes from the inside out, enabling the cells to hold on to more water. By increasing the moisture (hyaluronic acid) in the skin, It can help alleviate the appearance of fine lines & wrinkles, reduce outbreaks of acne, improve the look of scars and support the quality of synovial fluid & joint health. Research indicates as little as 200mg. per day of HA helps rebuild joints in 97% of people that used it. With as few as 4 soft gels per day as the loading dose, results have been seen in as little as 2-3 weeks. Thereafter, two soft gels per day is the effective dose. In clinical tests, the skin is smoother and softer to the touch within just two weeks.
